Relationship to individual: _____

IMPORTANT: Guidelines on obtaining consent for children

Generally, children of 7 years and up should be able to provide consent. However, good practice dictates that if children are below 14 years, we should also obtain consent from parents/carers.

Age of child	Child's consent	Consent of parents/carers
Under 7 years	No	Yes
Between 7 and 14 years	Yes, if child fully understands what they are consenting to	Yes
Over 14	As above	Not necessary if child's consent given

Part C - signature of the interpreter (Please tick as appropriate, then sign at the end of the section)
